- Finished Size:** Approx. 76"/193cm wingspan x 20"/51cm deep at center, after blocking.
- Yarn:** 2 skeins Rowan *Fine Tweed Haze* (235 yds/215m, 50g each).
Or approx. 470 yds/430m of an equivalent DK-weight yarn.
- Needles
& Notions:** US 7 (4.5mm) 24–32"/60–80cm circular needle, or size to obtain gauge.
US 8 (5mm) needle, or one size larger than gauge needle, for binding off.
Blunt darning needle to finish.
Blocking wires and T-pins, or fork blocking pins.
- Gauge:** Approx. 16 sts = 4"/10cm in garter stitch, after blocking. *Note: Instead of swatching (yes, we said it), work until you are approx. 5"/13cm deep to check that you like the fabric.*
- Glossary:** **Inc('d)** = increase(d); **K** = knit; **KFB** = knit into front then back of same st; **St(s)** = stitch(es); **YO** = yarn over (bring yarn forward between needles, then back over right needle).
-
- Cast on:** With gauge needle, using long-tail cast-on method, cast on 3 sts.
- Shaping:** Row 1: KFB, YO, knit to end. [2 sts inc'd]
Repeat Row 1 until piece measures approx. 20"/51cm deep, or desired depth at center, and you have at least 20 yds/18m (approx. 4g) for binding off.
- Bind off:** Change to larger needle and bind off knitwise, making sure that your bound-off edge doesn't pull in or flare out.
- Finishing:** Weave in ends as invisibly as possible along edge of scarf.
Soak for 20 minutes in tepid water with no-rinse wool soap. Gently squeeze out as much water as possible. Roll up in a towel and squeeze again; or place in zippered pillowcase or lingerie bag and run through spin-only cycle in washing machine. Weave blocking wires along bound-off edge, and through eyelets on short sides and pin with a little bit of tension to desired dimensions. Allow to dry thoroughly.
